BLAZYRA

WIN400WB

DESCRIPTION

The **Blazyra** jacket is designed to provide comfort and protection in any condition.
Crafted from **stretch Softshell fabric** , this padded jacket is **breathable** , **windproof** , and **water-repellent** , offering optimal thermal insulation without compromising freedom of movement. Functionality is at the heart of its design.
It features two large front zip pockets—perfect for keeping your hands warm or storing personal items—and a spacious internal pocket. The central zip fastening and the adjustable, detachable hood allow you to adapt the jacket to suit your needs.
Cuffs are adjustable with Velcro for a custom fit. For added safety, the jacket includes **reflective inserts** on the elbows, enhancing your visibility in low-light conditions.
It is also designed for customization, with an internal back opening that makes printing and embroidery easier. The product is available in lots of 1 piece (code IN400) and 10 pieces (code CY400).

MECHANICAL STRETCH

Structural elasticity without added elastic fibers. Ensures comfort, flexibility and long-term shape recovery.

STRETCH FABRIC

Stretch cotton fabric. Combines cotton comfort with elastomeric fiber functionality to create garments that are comfortable, durable and highly breathable.
