

HIKE

WFU343BB

DESCRIPTION

These **U-Power cargo trousers combine** style and **functionality** in a **modern**, practical **design**. Made with **stretch polyester/cotton ripstop fabric**, they provide **wear-resistance** and **freedom of movement**, ideal for tackling any workday in comfort. Their **jogging-style fit**, featuring elastic inserts at the waist and ankles, adapts to various situations, while the zip and scratch-resistant button closure add convenience. Designed for versatility, they include an **ankle zip for easy wear with high-top shoes**, a rear yoke for lumbar protection, and a reinforced loop with a D-ring. The Hike trousers come with several pockets: **two front pockets**, **two zipped back pockets**, **two multifunctional side pockets**, **one with** a concealed **badge holder** and one with a contrasting vertical zipper that adds a distinctive touch. **Anti-wear knee reinforcements** and **reflective inserts** ensure durability and visibility, making these trousers ideal even in low-light conditions. A modern design is finished with reflective details and logos, blending safety and style seamlessly. A **versatile** and **hard-wearing garment**, these **trousers** are perfect for professionals who value efficiency without sacrificing design.

U-EME

Technical fabric with elastomultiester for high performance. Provides permanent elasticity, dimensional stability and mechanical strength, maintaining shape and comfort even after intensive use.
