TRACE

0UL20204

DESCRIPTION

Trace features a pull-up full-grain water resistant leather upper with textile inserts. The 3D mesh lining ensures superior breathability and moisture wicking. The AirToe® aluminum safety toe cap provides maximum protection with a streamlined shape. The footbed in soft polyurethane dynamic compound delivers all-day comfort and support. The direct-attach dual-density PU sole with Infinergy® midsole offers cushioning and energy return and is slip, oil, and abrasion resistant. Static Dissipative SD 35 rated. Available in tobacco/black, sizes 3.5–12, 13, 14, U-niversal Fit width.

UPPER

Soft nubuk leather upper with Nylon inserts

LINING

3D Mesh lining for superior breathability and moisture wicking
