

**Model:** AIKO

**Protection Class:** S3S CI LG FO SR

**Article:** 0UT20124

**EU Norm:** EN ISO 20345:2022+A1:2024

## DESCRIPTION

**Aiko** is a **safety shoe** by U-Power, designed to combine safety, comfort and a modern design. Made of **fine natural Nubuck leather**, these shoes provide **softness, resistance** and **impeccable** style for all types of work. The **FiberToe toe cap** **protects the foot from impacts** guaranteeing a sensation of extreme lightness, while the **Save & Flex® PLUS anti-perforation insole** ensures freedom of movement and maximum protection against sharp objects. The PU/PU Infinergy® **sole returns energy at every step**, limiting fatigue during the most intense days. Aiko has **three U-Power original interchangeable insoles** that allow you to choose the ideal fit for your own personalised comfort. Perfect for light work environments, manufacturing, logistics and services, this low-cut work footwear has a signature versatile and modern design that makes it ideal for anyone who wants a professional, dynamic and smart look in any work situation.
