

Model: ALTAIR

Article: WHL305YF

DESCRIPTION

The Altair **work bermuda shorts** by U-Power are the perfect choice for anyone seeking comfort and functionality without compromising workplace safety. **Made of** a durable 50/50 **cotton/polyester fabric**, they feature a central closure with a zip and an anti-scratch rubberized button for secure fastening and long-lasting performance. Altair is **designed to provide optimal protection**, including **reinforced lumbar support** thanks to the accentuated back yoke and **triple stitching** for enhanced durability. **Elastic inserts** at the waist ensure a perfect fit and total freedom of movement, offering maximum comfort throughout the workday. Functionality and practicality are delivered through **multiple pockets**: two spacious front pockets, two Velcro-fastened back pockets with flaps, a multifunctional side pocket and a tape-measure pocket - ideal for organizing tools. **Reflective tape** on the rear loop further **improves visibility** in low-light environments. With robust construction for **up to 25 washes**, these work shorts are the ideal choice for comfort, functionality, and safety. The product is only available in lots of 1 piece (code HL305) and 20 pieces (code CY305).
