

**Model:** ANUTA WHITE

**Article:** WIN326WH

## DESCRIPTION

Anuta is a U-Power **full-zip sweatshirt** ideal for those who need both comfort and practicality during intensive workdays. **Made from soft french terry**, this summer sweatshirt **provides full freedom of movement**, making it perfect for tackling work tasks with energy and style. Thanks to its 80% cotton and 20% polyester composition, it offers a **pleasant feel against the skin** while **ensuring breathability** and **lasting durability**. Meticulous attention to detail is one of the defining features of the Anuta sweatshirt. Ribbed elastic cuffs and hem ensure a comfortable fit, while the twill neck tape and reinforced seams highlight its high-quality design. The set-in sleeves add a touch of casual elegance, making this **sweatshirt suitable** not only **for work** but also **for leisure time**. Versatile, stylish, and functional, this summer work sweatshirt offers maximum comfort in any situation. Built to last, it **retains its original features even after multiple uses and washes**.
