

Model: **ARRAN**

Article: WEY395DB

DESCRIPTION

The **Arran** work fleece is the perfect blend of comfort, practicality, and style.

Crafted from **soft microfleece**, this **full-zip** garment is lightweight and versatile—ideal as a mid-layer on colder days or worn on its own during transitional seasons. Its design ensures excellent thermal insulation without compromising your freedom of movement.

Functionality lies at the heart of its design. Elasticated cuffs and hem provide a snug and comfortable fit, keeping body heat in and moving with you throughout the day.

Two **handy handwarmer pockets** allow you to keep your hands warm or store small essentials. The colorful zip teeth add a bold touch of personality to the overall look, making this fleece both distinctive and practical in any work environment.

Choose Arran for a workwear essential that delivers comfort, performance, and style—ready whenever you are.
