

Model: **ATOM LADY**

Article: WPE145GF

DESCRIPTION

Women's work trousers in **U-4 fabric** which gives **maximum freedom of movement**, thanks to its properties, which allows it to simultaneously follow body movements in 4 directions.

The U-4 Way Stretch fabric is very **comfortable** and **gentle on the skin**. **Women's abrasion-resistant, water-resistant, highly breathable and quick-drying work trousers**. This model of **women's work trousers** is quite functional, thanks to its multiple pockets: **two large front pockets**, a side **tool pocket**, a side **multifunctional pocket** with **retractable badge holder**, and **two rear pockets**, one with flap and one with velcro safety closure. In addition, the **Atom work trousers** feature a **large side pocket** and a **right front pocket**, both with zipper. Central closure with YKK zip and scratch-resistant rubber button. The stretch waist features an innovative concealed adjustment system, which guarantees **optimal wearability**, while the **enhanced rear yoke** improves the protection of the lower back area and comfort. The **reflective stripes** on the rear belt loop improve visibility and safety. This style of **women's stretch trousers** are **ideal for the winter season** and, in particular, for work in: **construction sites, transport and logistics** sector, **gardening and agriculture, warehouses, handicraft**, etc. The **Atom** features **triple stitching**.
