BARK

WEX277CH

SIZES

S-5XL

COMPOSITION

100% Polyester (310 gr/m^2)

DESCRIPTION

Teddy-fleece jacket with **full-zip** ideal in autumn or as a sweatshirt under a heavier jacket in colder periods. The special long-haired fleece finish of this **jacket** retains warmth ensuring **maximum comfort** and an **ideal** body temperature. **Teddy-fleece jacket** with **stretch fabric inserts** on the inside of the sleeve and on the torso to ensure an **optimal fit** and **freedom of movement** of the arms and torso. Anti-entanglement drawstring adjustable from the inside. **Bark** is a **work fleece jacket** also suitable for **leisure activities**, with several pockets: **two front pockets** with zip, a **chest pocket** with Velcro fastening and an **internal zipped pocket** on the lower left side. The design is completed by the **patch** sewn on the right shoulder and the **webbing** on the inner hem, both **with** the **U-Power logo**.
