DESCRIPTION

S3S CI FO SR standard protection work shoes designed to insulate the feet from the cold and guarantee maximum stability and comfort. Lightweight safety shoes with water-repellent, Nubuck-effect micro-fibre upper and Wind 3D super breathable lining with ventilation channels. These S3 lightweight and comfortable work shoes ensure maximum comfort and prolonged well-being thanks to the latest-generation sole made of ultra-lightweight, anti-abrasion, anti-oil, PU with antistatic and non-slip PU. The AluToe Aluminium toe cap and anti-perforation, ultra-lightweight and non-slip insole guarantee maximum protection of the toes and the entire sole of the foot. Anatomic insole made of soft breathable and antibacterial polyurethane. Lightweight safety shoes for electricians, carpenters, warehouse workers, artisans, transport and logistics.
