DESCRIPTION

The **Beat** work trousers are designed to provide freedom of movement and comfort in every situation.

Made from durable **stretch cotton/polyester fabric** with elasticated inserts at the waist, they adapt perfectly to your body, ensuring a comfortable fit all day long. Their **breathable structure** helps keep your skin cool and dry, even during the most intense activities.

Built to last, these trousers feature triple-stitched seams and a reinforced back yoke for enhanced lower back protection.

Pre-shaped knee areas allow for more fluid and natural movement, while the central zip fastening with **scratch-resistant rubberised button** ensures long-lasting practicality.

The leg hem can be extended by 5 cm for a customised fit. Beat is a multi-pocket trouser that keeps all your tools within easy reach.

It includes two spacious front pockets, two back pockets with flaps and Velcro, a coin pocket with zip, and a multifunctional side pocket with Velcro fastening, which houses a convenient retractable **badge holder**.

Also included are a handy **tape measure pocket** and a **hammer loop**. For added safety, the design features **reflective inserts** under the knee, on the side pocket and rear pockets to improve your visibility in low-light conditions.

A **D-ring in soft plastic** completes the outfit, making these trousers the perfect choice for professionals seeking reliability, comfort and functionality.
