

Model: BOB s ESD

Protection Class: S3S CI FO SR

Article: 0SN10234

EU Norm: EN ISO 20344:2021

DESCRIPTION

High-top safety shoes with highly **scuff-resistant Putek Plus upper**. The **WingTex inner lining is an air tunnel**, with special micro cells which absorb and wick away moisture, ensuring excellent **breathability** and **long-lasting comfort**. **Anti-static, non-slip** and **oil-resistant footwear**, suitable for work on slippery surfaces or in contact with oil. The sole is made of PU/PU Light Grip. The **U-Power Original footbed cover** is designed to ensure **greater comfort** and a sensation of **prolonged well-being**, with **self-modelling properties** which distribute the body weight evenly over the entire sole of the foot. Toe safety is guaranteed by the **AirToe Aluminium toe cap** and **Save&Flex Plus anti-puncture system**, the innovative **light, flexible** and **safe “no metal” anti-puncture insole**, sewn directly onto the upper which ensure protection of the entire foot surface. The ideal **safety shoes** for workers, such as **warehouse workers, brick layers, joiners, plumbers, gardeners, farmworkers, tyre specialists, mechanics, electricians**, and in the **logistics and transport sector**.
