

CEDAR

WEX272CH

DESCRIPTION

Men's work shirt with high thermal efficiency - **regular fit**. **Checked flannel shirt** with **two front patch pockets**; the inner lining of the collar, cuffs, bottom hem and inside of the chest pocket is in soft corduroy. **Long-sleeved shirt** ideal for the **winter** season with front pocket **closure with pearled snap buttons**. The back of this **men's casual shirt** is enriched by a pleat that runs along the entire back and by the presence of a **jacquard tape sewn** on the ends. **Work shirt with collar** and **pen hole** in the right chest pocket, very **practical** and **comfortable**. **U-Power logo** webbing on the back of the collar. This style is a **comfortable and warm work shirt** suitable for the autumn and winter: it is extremely **versatile** and **ideal for** both **work** and **leisure**. **Flannel work shirt** suitable for **farmers**, **lorry drivers**, **carpenters**, **gardeners** and for **leisure activities**.
