DESCRIPTION

U-Power work socks designed to provide **freshness, comfort** and durability even **on the hottest days**. The** technical fabric**, combined with a special weave, ensures **extra ventilation** to keep feet dry and cool throughout the workday. An **ankle support band** offers stability, while flat seams under the toe prevent irritating friction and enhance comfort. Reinforced, anti-wear heel and toe guarantee **reliability** and **long-lasting performance**. The product is available in a two-piece lot.
