

Model: CLOVIS

Protection Class: S7S SC CI LG FO SR

Article: 0UT10154

EU Norm: EN ISO 20345:2022+A1:2024

DESCRIPTION

U-Power **Clovis safety shoes** offer **maximum safety** and comfort in **extreme environments** and adverse weather conditions. The **water repellent, pull-up leather upper**, combined with the **GORE-TEX® Performance membrane**, **guarantees** perfect **waterproofing** and **breathability**, while keeping your feet dry at all times. Safety is guaranteed by the ultra-light and resistant **FiberToe toe cap**, together with the **Save & Flex® PLUS** anti-perforation insole that effectively protects from accidental punctures. The **PU/PU abrasion resistant, oil-resistant, anti-static** and **non-slip sole** ensures stability even on difficult, slippery ground. The pack includes **three interchangeable U-Power original insoles** to adapt the shoe to your own personal needs and increase daily comfort. Ideal for the building industry, agriculture and outdoor environments, these shoes provide superior resistance even in the presence of water, mud and extreme environmental conditions, ensuring long-term durability and reliability.
