

Model: COLTON ESD

Article: 0RK20124

DESCRIPTION

Durable and high-performance safety shoes designed for demanding work environments.

The PUTEK® PLUS upper is highly abrasion-resistant and features a reinforced polyurethane toe cap for enhanced durability. The metal-free FiberToe toe cap protects against impacts without adding weight, while the Save & Flex® PLUS anti-perforation system ensures maximum safety and flexibility.

The New ErgoDry footbed provides comfort and breathability, and the PU/PU outsole delivers stability, cushioning and long-lasting resistance.
