

CURSA

WHL318NY

DESCRIPTION

Cursa is the U-Power work jacket designed to provide comfort, safety and high performance in all weather conditions. Made from stretch Softshell fabric, which is breathable, windproof and water-repellent, it provides excellent protection against the elements without compromising freedom of movement.
The reflective bands on the body and sleeves enhance visibility, making it ideal for working in low-light environments. The central zip fastening and adjustable, detachable hood offer versatility and practicality, adapting to different working requirements.
The Cursa jacket features two large lower front pockets with zip fastenings, one right chest pocket with a zip and two internal pockets, providing plenty of space for tools and personal belongings. The stretch fabric cuffs ensure an optimal fit and enhanced comfort throughout the working day.
Thanks to its durability, it retains its properties for up to 25 washes.
The product is available exclusively in packs of 1 piece (code HL318) and 10 pieces (code CY318).
