

CURSA

WHL318YF

DESCRIPTION

Cursa is the **U-Power work jacket** engineered to provide comfort, safety, and top performance in any weather. **Made of stretch Softshell fabric that's breathable**, **windproof** and **water-repellent**, it offers optimal protection against the elements without sacrificing freedom of movement. **Reflective bands** on the torso and sleeves **increase visibility**, making it ideal for work in low-light environments. The central zip closure and adjustable, detachable hood provide versatility and convenience to adapt to various work needs. Cursa features **two large front pockets** with zip closures at the bottom, a right **chest zip pocket** and **two internal pockets** - providing all the space necessary for personal items and tools. Elastic cuffs ensure a perfect fit and extra comfort during wear. Thanks to its sturdy construction, **it maintains its protective qualities for up to 25 washes**. The product is only available in lots of 1 piece (code HL318) and 10 pieces (code CY318).
