

Model: DEON ESD

Protection Class: S1 PS HI HRO FO SR

Article: 0RE20036

EU Norm: EN ISO 20345:2022+A1:2024

DESCRIPTION

The **Deon work shoe** strikes the perfect balance between functionality and unique design. Its **U-KNIT stretchy upper with laser processing** ensures a comfortable, breathable **fit for long workdays**. A **Fibertoe toe cap** and ultra-light puncture-resistant insole provide **maximum safety against impact and perforation**. The **EVA and light blue rubber outsole** not only adds a pop of color but also **ensures stability and grip** on any surface. Completely **metal free**, Deon is made for those who need high performance without sacrificing a modern look.
