

DIADEM

WHL377YF

DESCRIPTION

The **Diadem** work vest is the ideal choice for anyone looking for a garment that combines practicality with maximum visibility. Its **two-tone design** not only sets you apart but also enhances your safety in the workplace. Functionality is at the heart of this multi-pocket vest.

Two large lower flap pockets provide space for bulkier items, while the **chest pockets** —one **for your phone** and one for a pen—keep your essentials within easy reach. For added convenience, the vest features a badge window, a **D-ring hook**, and a fabric loop ideal for attaching a radio microphone.

Safety is ensured by **reflective bands** placed vertically and horizontally, offering maximum visibility even in low-light environments. This vest is designed to withstand up to 25 washes without compromising its technical performance or comfort.
