

**Model:** DOMINGO s

**EU Norm:** EN ISO 20344:2021

**Article:** 0RI11034

## DESCRIPTION

**High-cut safety shoes** with **Putek® Plus** upper in **highly abrasion-resistant, breathable** and **water repellent**. Side bands, laces and sole in contrasting colour. **Safety footwear** with **Airtoe Composite toe cap** and fabric **anti-perforation** system to protect the front and sole of the foot. Comfort is guaranteed by the **WOW2 insole** which, thanks to the combination of the self-modelling arched insole structure and the **anti-fatigue insert**, reduces body stress and improves the sensation of **comfort** and **well-being**. **Men's safety shoes** with **anti-slip, oil-resistant, anti-static** and **abrasion-resistant** soles suitable for various work environments and, in particular, for **gas station operators, mechanics** and **tyre repairers, farmers** and **gardeners, transport** and **logistics, construction sites** and **builders, craftsmen, carpenters, electricians, plumbers, painters, process workers**. **Safety footwear** with special protection of the sole from the cold (at temp.  $\leq 10$  °C.).
