

Model: ELIAS o ESD

Protection Class: S2 FO SR

Article: LI20542

DESCRIPTION

Safety shoes featuring completely vegan New Safety Dry upper with no animal-based components, made of ultra-breathable and water-repellent material. Wind 3D lining with air holes which wick away moisture caused by sweating feet. The toes and front part of the foot are protected by the ultra-lightweight Compo Toe cap. Low-cut work shoes with anatomic insole in soft, breathable and antibacterial polyurethane. The sole of these S2 FO SR standard protection work shoes is non-slip and anti-abrasion. It is made of soft polyurethane foam with the Infinergy® insert designed to restore up to 55% of energy. Safety work shoes, ideal for sectors, such as storage and services, transport, the food and pharmaceutical industry and for artisans.
