ENIF

WHL308OF

DESCRIPTION

Enif is the U-Power **high-visibility work polo** that combines comfort and style, making it ideal for those who operate in low-light conditions. Its design features **reflective stripes** across the torso and sleeves **for excellent visibility** in any environment. Crafted from a fabric with high breathability, this polo keeps you **cool and comfortable** during even the most demanding workdays, while maintaining superb resistance to wear. The rib-knit collar, finished with three buttons, adds both practicality and style. Featuring a **sweatband** for extra comfort and protection against moisture, this polo is a reliable choice for any work requirement. Enif retains its key features for **up to 25 washes**. The product is only available in lots of 3 pieces (code HL308) and 30 pieces (code CY308).
