

**Model:** ERYON

**Article:** WMP387YF

### DESCRIPTION

U-Power's Eryon Gilet is a multi-hazard garment designed to ensure safety and practicality at work. The extra-long FR Velcro front closure allows it to cover two sizes and fit quickly over any workwear.

The heat-sealed and FR-certified reflective bands ensure maximum visibility, while the integrated loops allow communication devices or detectors to be attached. Lightweight, durable and functional, the Eryon Gilet is ideal for safe work and maintenance.

### COMPOSITION

98% Polyester tricot, 2% antistatic fiber, 120 g

### SIZES
