

Model: FINN s

Protection Class: S3S CI HI HRO FO SR

Article: LI10584

DESCRIPTION

Non-slip work shoes made of soft water-repellent Pull-Up leather with S3S CI HI HRO FO SR standard protection. Antistatic safety shoes with specific protection to insulate the feet against the cold in winter months. Wind 3D lining with ventilation channels to ensure excellent breathability. Anatomic insole made of soft breathable and antibacterial polyurethane and LUPOS soft footbed cover designed to ensure maximum comfort and well-being for the feet. Cap Light aluminium safety toe cap and metal-free, anti-perforation SAFE System made of composite material to ensure maximum safety and protection of the foot. S3S safety shoes featuring specific resistance to heat due to contact with the sole, ideal for damp and cold environments, for construction, gardening and agriculture, installations, port areas, road works and highway maintenance. The sole of these hi-top work shoes is made of polyurethane foam and Vibram and boosted by the Infinergy system® designed to restore up to 55% of energy at every step.
