

Model: FLUX ESD

Article: 0RV20384

DESCRIPTION

Flux is the innovative style of **U-Power safety shoes with BOA® Fit System**, designed to guarantee a quick, safe fit, **perfect for anyone who needs practicality and comfort** during long working days. The **water-repellent, Nubuck-effect, microfibre upper** protects your feet from damp and liquids, while maintaining excellent comfort at all times even in the most challenging work conditions. Featuring the **AirToe Aluminium toe cap** and **ultra-light, anti-perforation insole**, these light work shoes provide **maximum protection against impacts and punctures**, guaranteeing safety and peace of mind at work. The non-slip sole, made of new-generation PU blend, is light and resistant to oil, making this footwear ideal for dynamic environments like warehouses, transport, logistics and artisan work in general. **Flux shoes combine safety, practicality and a modern design**, helping you to tackle your job with style and peace of mind.
