DESCRIPTION

RedLion Safety Shoes, with AirToe Composite and Save&Flex PLUS anti-perforation system, designed to guarantee a prolonged well-being of the foot. Low and super light, with upper in ultra-breathable Airnet® and soft suede, closure with laces and bellows in padded nylon to ensure long lasting comfort. These work shoes are able to guarantee comfort and lightness thanks to the sole with the innovative Infinergy® system and to the expanded PU midsole. The multi-functional heel and the compact PU tread provide grip, security and stability of posture. This shoe is suitable for use in dry environments, transport and logistics, craft workshops and the tertiary sector and services
