

Model: FRITZ UK s ESD

Protection Class: S3S CI FO SR

Article: LE20024

DESCRIPTION

Eco-sustainable work shoes in standard protection S3S CI FO SR with lace-up closure. High-cut safety shoes in PUTEK® spider repet with a high percentage of recycled material, highly resistant to abrasion, water repellent and breathable. Wind 3D lining with microcells that absorb and disperse moisture for optimal foot wellness. The super light CompoToe Composite safety toe cap joined with the safety toe cap in PU ensure protection of the toes and the front part of the foot, while the GREEN SAFE System anti-puncture system made with recycled materials ensures complete protection of the sole of the foot. Eco-friendly work shoes, comfortable with LUPOS maxi soft sock liner in PU by BASF for an optimal fit. The sole is 100% renewable polyurethane foam by BASF, anti-abrasion, anti-static, anti-oil and anti-slip, designed to ensure maximum grip even on the most slippery surfaces and with a specific protection on the bottom of the footwear of isolation from the cold. Safety shoes ideal for logistics, industry, automotive and assembly line.
