DESCRIPTION

U-Power **long work socks** designed to **provide maximum comfort** and **protection during the coldest** and wettest **seasons**. Made with a **thermal technical fabric**, they keep your feet warm and dry, ensuring optimal well-being even in the harshest weather conditions. Equipped with an **ankle support band**, these socks offer stability, while flat seams under the toe eliminate pressure points for superior comfort. The reinforced, anti-wear heel and toe ensure exceptional durability, making them ideal for professionals seeking reliability and robustness. The product is available in a two-piece lot.
