

**Model:** GAME

**Article:** WHY360BC

## DESCRIPTION

The **Game** work shorts are the ideal choice for those seeking comfort and practicality during the hottest seasons.

Crafted from durable **stretch cotton/polyester fabric**, they offer excellent freedom of movement thanks to the elastic inserts at the waist that perfectly adapt to your body. The **breathable structure** helps you stay cool and comfortable throughout the day—even during intense activities.

Durability is ensured by triple stitching and a reinforced back yoke that provides greater protection for the lower back area. A **soft plastic D-ring** and central zip fastening with a **scratch-resistant rubber button** complete a design built to last. The Game shorts feature a multi-pocket layout that lets you keep all your tools close at hand, enhancing your work efficiency.

They include two spacious front pockets, two back pockets with flaps and Velcro closures, and a zipped coin pocket.

A multifunctional side pocket with Velcro houses a handy retractable **badge holder**, while a **ruler pocket** and **hammer loop** complete the feature set. For added safety, **reflective inserts** on the side and back pockets improve visibility in low-light conditions.

The Game work shorts are the perfect choice for professionals looking for reliable, comfortable, and practical gear to tackle every job with confidence.
