DESCRIPTION

The Geb **high safety shoe** is synonymous with toughness and reliability. Made **with a Putek Hexagon upper - highly resistant to abrasion, water-repellent and breathable** - it offers both **durability** and **airflow**. Equipped with a **Fibertoe toe cap** and an ultra-light puncture-resistant insole, Geb safeguards against perforation without compromising on comfort. The **EVA + black rubber outsole ensures stability and traction** on any surface. Completely **metal free**, Geb is ideal for demanding work settings.
