DESCRIPTION

Safety shoes in suede leather and Wingtex® lining that absorbs moisture thanks to the air channels, designed to be comfortable, while being attentive to the needs of lightness, breathability and wellness during work. Upper in soft perforated suede leather to ensure maximum breathability and foot wellness. The anatomic insole in soft polyurethane, breathable and antibacterial and Lupos maxi soft sock liner increase the comfort of the footwear, making it possible to work with high performance. S1PS safety shoes with SAFE System anti-puncture insole, metal free in composite material to ensure the complete protection of the sole of the foot. Super light CompoToe Composite toe cap to protect the toes and the front part of the foot without adding weight to the footwear. Low-cut work safety footwear with sole in PU/PU anti-abrasion, anti-static, anti-oil, and anti-slip to ensure the right grip to the ground, even on the most slippery surfaces. Work shoes S1PS FO SR. ideal for carpenter, electrician, craftsman, haulier, warehouse operator and logistics.
