

Model: HELSINKI UK s ESD

Protection Class: S3S CI SC LG FO SR

Article: 0RI11014

EU Norm: EN ISO 20344:2021

DESCRIPTION

High-cut and robust work shoes with upper in **water repellent**, soft and resistant pull-up leather.

Safety shoes with Airtoe **composite toe cap** and Save & Flex Plus fabric **anti-perforation system**, sewn directly onto the upper to guarantee **100% protection** over the entire surface of the foot. The **highly breathable** air tunnel inner **lining** guarantees foot health and well-being. Comfort is increased by the **WOW2 insole ****** which, thanks to its self-modelling arched insole structure with **anti-fatigue insert**, allows for a reduction in body stress and better stability and balance, guaranteeing **greater safety** and a feeling of **long-lasting well-being**. **Men's safety shoes**, also ideal for women, suitable for use in **damp and cold environments** such as **farmers** and **gardeners** but also for **craftsmen, electricians, plumbers, carpenters, painters, gas station operators, workers, construction sites and builders, mechanics and tyre repairers, transport and logistics**. **Anti-slip work shoes** with **oil-resistant, anti-static, abrasion-resistant PU/PU sole** and special **protection from the cold** (at temp. ≤ 10 °C.).
