

**Model:** HOWIE ESD

**Protection Class:** S3S CI FO SR

**Article:** 0RV10384

**EU Norm:** EN ISO 20344:2021+A1:2024

## DESCRIPTION

**Howie** is the **safety shoe** by U-Power featuring the innovative and practical **BOA® Fit System**, for **rapid fit adjustment**, ensuring comfort and safety throughout the working day. The **water-repellent, Nubuck-effect, microfibre upper** provides protection from the weather, making these shoes suitable even in difficult work conditions and wet environments. Safety is further guaranteed by the **light, but strong AirToe Aluminium toe cap** and ultra-light anti-perforation insole that protects the sole of the foot from any punctures. The **new-generation PU blend sole** is designed to guarantee lightness, non-slip **stability** and resistance to oil, ideal for logistics and transport professionals, and all artisans who require practicality, safety and comfort. Howie is the shoes that simplifies your work day, providing maximum protection with unparalleled comfort.
