

Model: JARED s ESD

Protection Class: S3S CI FO SR

Article: LA20034

DESCRIPTION

S3S safety shoes made with anti-slip protection to keep stability even on the most slippery surfaces. Upper in New Safety Dry, breathable and water-repellent material to ensure wellness and protection of the foot for greater comfort. Perforated Wingtex lining that ensures maximum breathability thanks to the air channels that absorb moisture. Safety and protection are ensured by the CompoToe Composite safety toe cap and by the anti-puncture insole in composite material, totally no metal. The sole of these low-cut work shoes with lace-up closure is in PU/PU anti-abrasion, anti-oil, anti-slip and anti-static and has a special protection for the isolation of the foot from the cold. LUPOS maxi soft sock liner for greater comfort and long-lasting foot wellness. Water-repellent safety shoes in standard protection S3S CI FO SR, ideal for warehouse operator, electrician, craftsman, carpenter, and transport and logistics.
