

Model: JAX

Protection Class: S3S CI LG FO SR

Article: 0UT20134

EU Norm: EN ISO 20345:2022+A1:2024

DESCRIPTION

U-Power **Jax safety shoes** are designed to combine safety, style and superior comfort. The soft **natural Nubuck leather upper ensures resistance and protection**, for a **modern look** in any work setting. The innovative **BOA® Fit System** allows you for a **quick, accurate and stable adjustment of the fit**, guaranteeing maximum comfort even during intense movements. The **FiberToe** toe cap protects your feet from knocks and impacts, while retaining lightness and practicality and the **Save & Flex® PLUS anti-perforation insole** prevents the risk of accidental punctures. The **PU/PU Infinergy® sole** returns energy while you walk, reducing fatigue and improving daily performance. With **three interchangeable insoles included in the pack**, these shoes allow you further personalise the fit for unique, tailored comfort. Available in sizes from 35 to 49, Jax shoes provide a versatile, safe solution that is always ready to tackle daily challenges at work.
