

Model: JESTER ESD

Protection Class: S3S CI HI HRO FO SR

Article: 0RE20094

EU Norm: EN ISO 20345:2022+A1:2024

DESCRIPTION

Jester is a **work shoe** designed to deliver **safety** and **comfort** in a **modern**, practical **design**. The **Putek Hexagon upper**, **abrasion-resistant**, **water-repellent** and **breathable**, ensures protection and **airflow**. A **Fibertoe toe cap** and **ultra-light puncture-resistant insole** guarantee **top-level protection** against perforation risks. The **EVA + gray rubber outsole** provides **traction** and **stability on any surface**. Jester is a versatile **metal free shoe** for demanding work environments.
