## DESCRIPTION

**Ankle-high safety shoes** with **PUTEK® star** upper and toe protection with abrasion-resistant scuff cap. **Ultra-light work shoes highly resistant to abrasion** and with particular **protection of the sole from the cold**. These **non-slip shoes** with **anti-static, oil-resistant** and **abrasion-resistant soles** are fitted with a **tread** made with a particular super-light **new generation** PU compound that considerably reduces the overall weight of the shoe. The **AirToe Aluminium toecap** and the **new ultra-light puncture-resistant textile insole**, ensure protection of toe and sole of the foot while preserving the lightness of the shoe. Well-being and comfort are ensured by the presence of the **anatomical U-Power Original insole** in light polyurethane compound, while breathability is increased by the Wingtex **air tunnel lining** which guarantees air circulation and moisture absorption. **Safety footwear** suitable for: **craftsmen** in general, **electricians, carpenters, warehouse workers**, and **transport and logistics** sectors.
