

KAIA

WHL375NO

DESCRIPTION

The **Kaia 5-in-1** technical parka is your ultimate ally for tackling any weather condition with a single garment.
Engineered for maximum versatility, it features a **waterproof** and **breathable** outer shell with taped seams and a removable, sleeveless padded inner layer that can also be worn separately. Thanks to its modular design, the parka **can be worn in five different configurations** , offering a practical, all-season solution.
Reflective bands stitched on the chest and sleeves ensure excellent visibility and enhanced safety in the workplace.
Functionality and practicality are guaranteed by multiple pockets. The outer shell includes a central zip fastening, two large front pockets and a zipped chest pocket.
The inner vest also features two bottom pockets and one chest pocket, all with zippers, and removable sleeves. Completing the design are an adjustable, detachable hood and velcro-adjustable cuffs.
A versatile and high-performing garment, ideal for facing any weather scenario. This set is designed to withstand up to 25 washes while maintaining its technical features and comfort.
The product is available only in sets of 1 piece (code HL375) and 10 pieces (code CY375).
