

Model: KODY o ESD

Protection Class: S2 FO SR

Article: LI20552

DESCRIPTION

100% vegan S2 work shoes with no animal-based components and non-slip, anti-static protection to ensure comfort and well-being for your feet. The upper is made of New Safety Dry material which is breathable and water-repellent, while the Wind 3D lining is perforated and wicks away moisture caused by sweat through the air holes. Safety shoes featuring a Compo Toe safety cap to ensure protection of the toes and front part of the foot. Anatomic insole made of soft breathable and antibacterial polyurethane. The sole of these men's and women's safety shoes is made of soft polyurethane foam, designed to guarantee correct stability, and combined with the Infinergy® insert by BASF which restores 55% of energy while you work. These low-cut work shoes meet the S2 FO SR standard protection requirements and are suitable for work in damp environments or in contact with hydrocarbons and for sectors, such as storage and services, transport, the food and pharmaceutical industry, as well as for artisans.
