

**Model:** LINEAR

**Protection Class:** S3S CI FO SR

**Article:** 0RV20404

**EU Norm:** EN ISO 20344:2021+A1:2024

## DESCRIPTION

**Linear** is the **U-Power work shoe style** with the **BOA® Fit System** that combines innovation and safety. The Nubuck-effect, microfibre, **water-repellent upper** provides maximum protection from water and liquids, keeping your feet dry and comfortable at all times, **ideal for challenging work conditions**. This footwear features the light Aluminium AirToe toe cap that is also highly resistant to impacts, and the ultra-light, anti-perforation insole for maximum protection against accidental punctures. The new-generation PU blend **sole ensures lightness, non-slip stability, resistance to oil and static**, making Linear perfect for dynamic and intense environments like logistics, transport and artisan workshops. Comfort and style are ensured to tackle your working day in safety and with peace of mind.
