

Model: LION FACE MASK

Article: WAC209BC

DESCRIPTION

Mask made by coupling by points 2 different fabrics.

Inside: Double antibacterial treatment and anti-drop treatment, to ensure excellent breathability, eliminate the risk of skin irritation, and keep the face cool and dry.

Outside: SHIELD TRI-ACTION DWR, bi-elastic fabric with thick texture and water-repellent finish. The edge that finishes the tissues together with the elasticity and the ergonomic shape makes the fit excellent. Washable masks.

COMPOSITION

INSIDE: 100% COTTON OUTSIDE:
80% POLYESTER • 20%
ELASTOMER • 240 gr/m2
