DESCRIPTION

Work sandals in standard protection S1PS FO SR, comfortable and breathable. Upper in soft suede leather with padded anti-dust tongue and integrated lanyard and perforated Wind 3D lining that ensures maximum breathability thanks to the air channels that absorb moisture from the perspiration of the foot. Closed work sandal with super light safety CompoToe Composite safety toe cap to ensure maximum protection of the toes and the front part of the foot. SAFE System no metal anti-puncture system in composite material to ensure complete protection of the sole of the foot. LUPOS maxi soft sock liner to increase the sensation of comfort and foot wellness. The sole of these men's work sandals is in PU/PU anti-abrasion, anti-static, anti-oil and anti-slip, designed to ensure stability and correct posture even on the most slippery surfaces. Shoes ideal for professions such as warehouse operator, electrician, carpenter, craftsman but also for sectors such as transport and logistics.
