

**Model: MAZURKA**

**Article:** GUG00025

## DESCRIPTION

U-Power **level F cut-resistant work gloves** offering excellent **protection against mechanical and thermal hazards**. Featuring an **18-needle finish**, these gloves provide high grip performance and superior tactile sensitivity, ideal for precision work. The **U-Bubble nitrile nano-foam technology** uses safe materials, offering exceptional grip performance preventing the gloves from stiffening or cracking in the cold. The **convenient stretch Nylon cuff** ensures a **comfortable fit**, while the **touch feature** allows the use of smartphones and tablets without having to remove the gloves. **Gloves** suitable **for** demanding jobs such as the **glass, sheet metal, metal, oil, heavy construction, fishing, waste and automotive** industries. Available in packs of 12 and 144 pieces.
