

MAZURKA

GUG00025

DESCRIPTION

U-Power level F cut-resistant work gloves offering excellent protection against mechanical and thermal hazards. Featuring an 18-needle finish, these gloves provide high grip performance and superior tactile sensitivity, ideal for precision work. The U-Bubble nitrile nano-foam technology uses safe materials, offering exceptional grip performance preventing the gloves from stiffening or cracking in the cold. The convenient stretch Nylon cuff ensures a comfortable fit, while the touch feature allows the use of smartphones and tablets without having to remove the gloves. Gloves suitable for demanding jobs such as the glass, sheet metal, metal, oil, heavy construction, fishing, waste and automotive industries. Available in packs of 12 and 144 pieces (GUG14425).
