

**Model:** NEBRIS

**Article:** WMP440YF

### DESCRIPTION

The Nebris shell by U-Power is a 3-layer multi-risk garment designed to guarantee safety and maximum practicality at work. Waterproof, windproof and breathable, it can be worn alone or combined with the ONYX Softshell thanks to the ZIP-IN system. Equipped with a retractable fireproof hood, certified 5 cm reflective bands, functional front, inside and chest pockets, and loops for communication devices or detectors, the Nebris shell ensures maximum visibility and protection in any work situation.
