## DESCRIPTION

The Nymeria ESD are safety shoes designed to combine technical safety with everyday comfort. Made of soft, tumbled black nubuck leather, they offer a balance of robustness and comfort for long hours at work. With protection class S3S CI HI HRO FO SR, they provide comprehensive protection against impact, punctures, cold, heat and slips, while the ESD construction reduces the risk of electrostatic discharge. These shoes are ideal for industries, logistics and technical sectors that require safety, durability and extended comfort at work.
