OLAF

GUG00016

DESCRIPTION

U-Power work gloves for **protection against mechanical and thermal hazards**, perfect for tasks requiring high precision thanks to the **15-needle finish**. **Ideal for the food**, **fishing**, **farming**, **gardening** industries and **outdoor work**, always ensuring excellent tactile sensitivity. The **HPT water-repellent technology** gives the coating a unique feel that stays soft and flexible even in temperatures as low as -50°C. The **stretch Nylon cuff** ensures prolonged comfort during use, ensuring a practical and versatile set of gloves for various outdoor tasks and cold environments. These work gloves combine protection, comfort and high performance, making them the ideal choice for those looking for reliability and durability. Available in packs of 12 (GUG00016) and 144 pieces (GUG14416).
