

Model: ONE SHOT BLUE

Article: GUG00043

DESCRIPTION

Disposable glove with increased thickness, designed to ensure greater durability and resistance during use. With a weight of 5 grams and a thickness of 0.13 mm, it provides optimal protection without compromising comfort. Silicone-free and powder-free, it reduces the risk of dermatitis, irritation and contamination. Certified as PPE Category III and compliant with EN ISO 374-5:2016 for protection against bacteria and fungi. Ambidextrous, disposable and 100% latex-free, suitable for food contact. Ideal for mechanical industry, automotive sector and heavy industry.
