

Model: PALMA

Article: WST374BC

DESCRIPTION

The **Palma** work jacket is the perfect solution for those seeking a garment that combines functionality, durability, and comfort. Crafted from **stretch cotton**, it delivers exceptional **breathability** and freedom of movement, adapting to every task you take on. Designed with practicality in mind, this jacket features a multi-pocket layout for optimal convenience.

You'll find a chest pocket with Velcro closure and two spacious zippered front pockets—ideal for securely storing your tools or personal items within easy reach. The fit can be customized thanks to adjustable cuffs and hem with snap buttons.

A central zip closure covered by protective Velcro flaps adds an extra layer of reliability and strength. For added convenience, a practical **rubber D-ring** allows you to keep your badge close at hand at all times.

Choose the Palma jacket to face every work challenge with a garment that brings together comfort, strength, and practicality in one smart design.
